Lynne Riley Endorsed by American Solutions

Lynne Riley, Candidate for Georgia House of Representatives - District 50, is pleased to announce the endorsement of her campaign by American Solutions.

American Solutions is a tri-partisan citizen action network of over 1.5 Million members whose goal is to create the next generation of solutions that will ensure that the United States remains the safest, freest, and most prosperous country in the world.

General Chairman Newt Gingrich states, "Lynne Riley has vigorously advocated for efficient, accountable government service for six years as the District 3 Commissioner in Fulton County. She will bring her strong conservative values with her to the State House of Representatives, and apply them in service to the citizens of Georgia."

Lynne expressed her gratitude for the recognition. "I am honored to receive an endorsement from a national organization of such distinction.

"As I seek to serve Georgians as the State Representative for District 50, I am committed to upholding conservative principles. I will focus my efforts on reducing the size of government, lowering taxes to stimulate the private sector and create new job opportunities, and enforcing the rule of law. I am a strong supporter of zero-based budgeting, and I feel that annual budgets must be balanced without the use of capital reserves."

Riley will serve the remainder of her term as District 3 Commissioner through December 2010. Riley and her family reside in the City of Johns Creek, GA.
